CITY MOVEMENT PRESENTATION

A large, diverse crowd of people is gathered in a city street, many with their hands raised in a gesture of praise or celebration. The scene is set in an urban environment with buildings and trees in the background. The image is dimmed to serve as a background for the text.

We are a 501(c)3 Non Profit,

dedicated to following Christ,

and our vision is to

**Love our cities like Jesus would so our
cities will thrive.**

WHO DO WE CURRENTLY **SERVE?**

- 60+ Cities (3.1mm+ population)
 - 136,000 volunteers to date
 - 476k+ volunteer hours
 - \$13.8mm+ in service

What **problem** are we solving?

An aerial photograph of San Francisco at dusk. The city skyline is visible with numerous skyscrapers, including the Transamerica Pyramid. The waterfront features the Port of San Francisco with several piers and a ferry boat in the water. The sky is a mix of dark blue and orange from the setting sun.

Cities all over the world have
issues that need to be addressed...

The church community is realizing it
needs to
lead in addressing those needs.

A photograph of a white, single-story church with a prominent steeple. The church has arched windows and a central entrance with a small set of stairs. It is surrounded by greenery, including trees and shrubs, under a blue sky with scattered clouds. The image is slightly dimmed to allow the text to be the primary focus.

But sometimes the Christian
community struggles with
**how to best work
with the city**
to meet those needs.

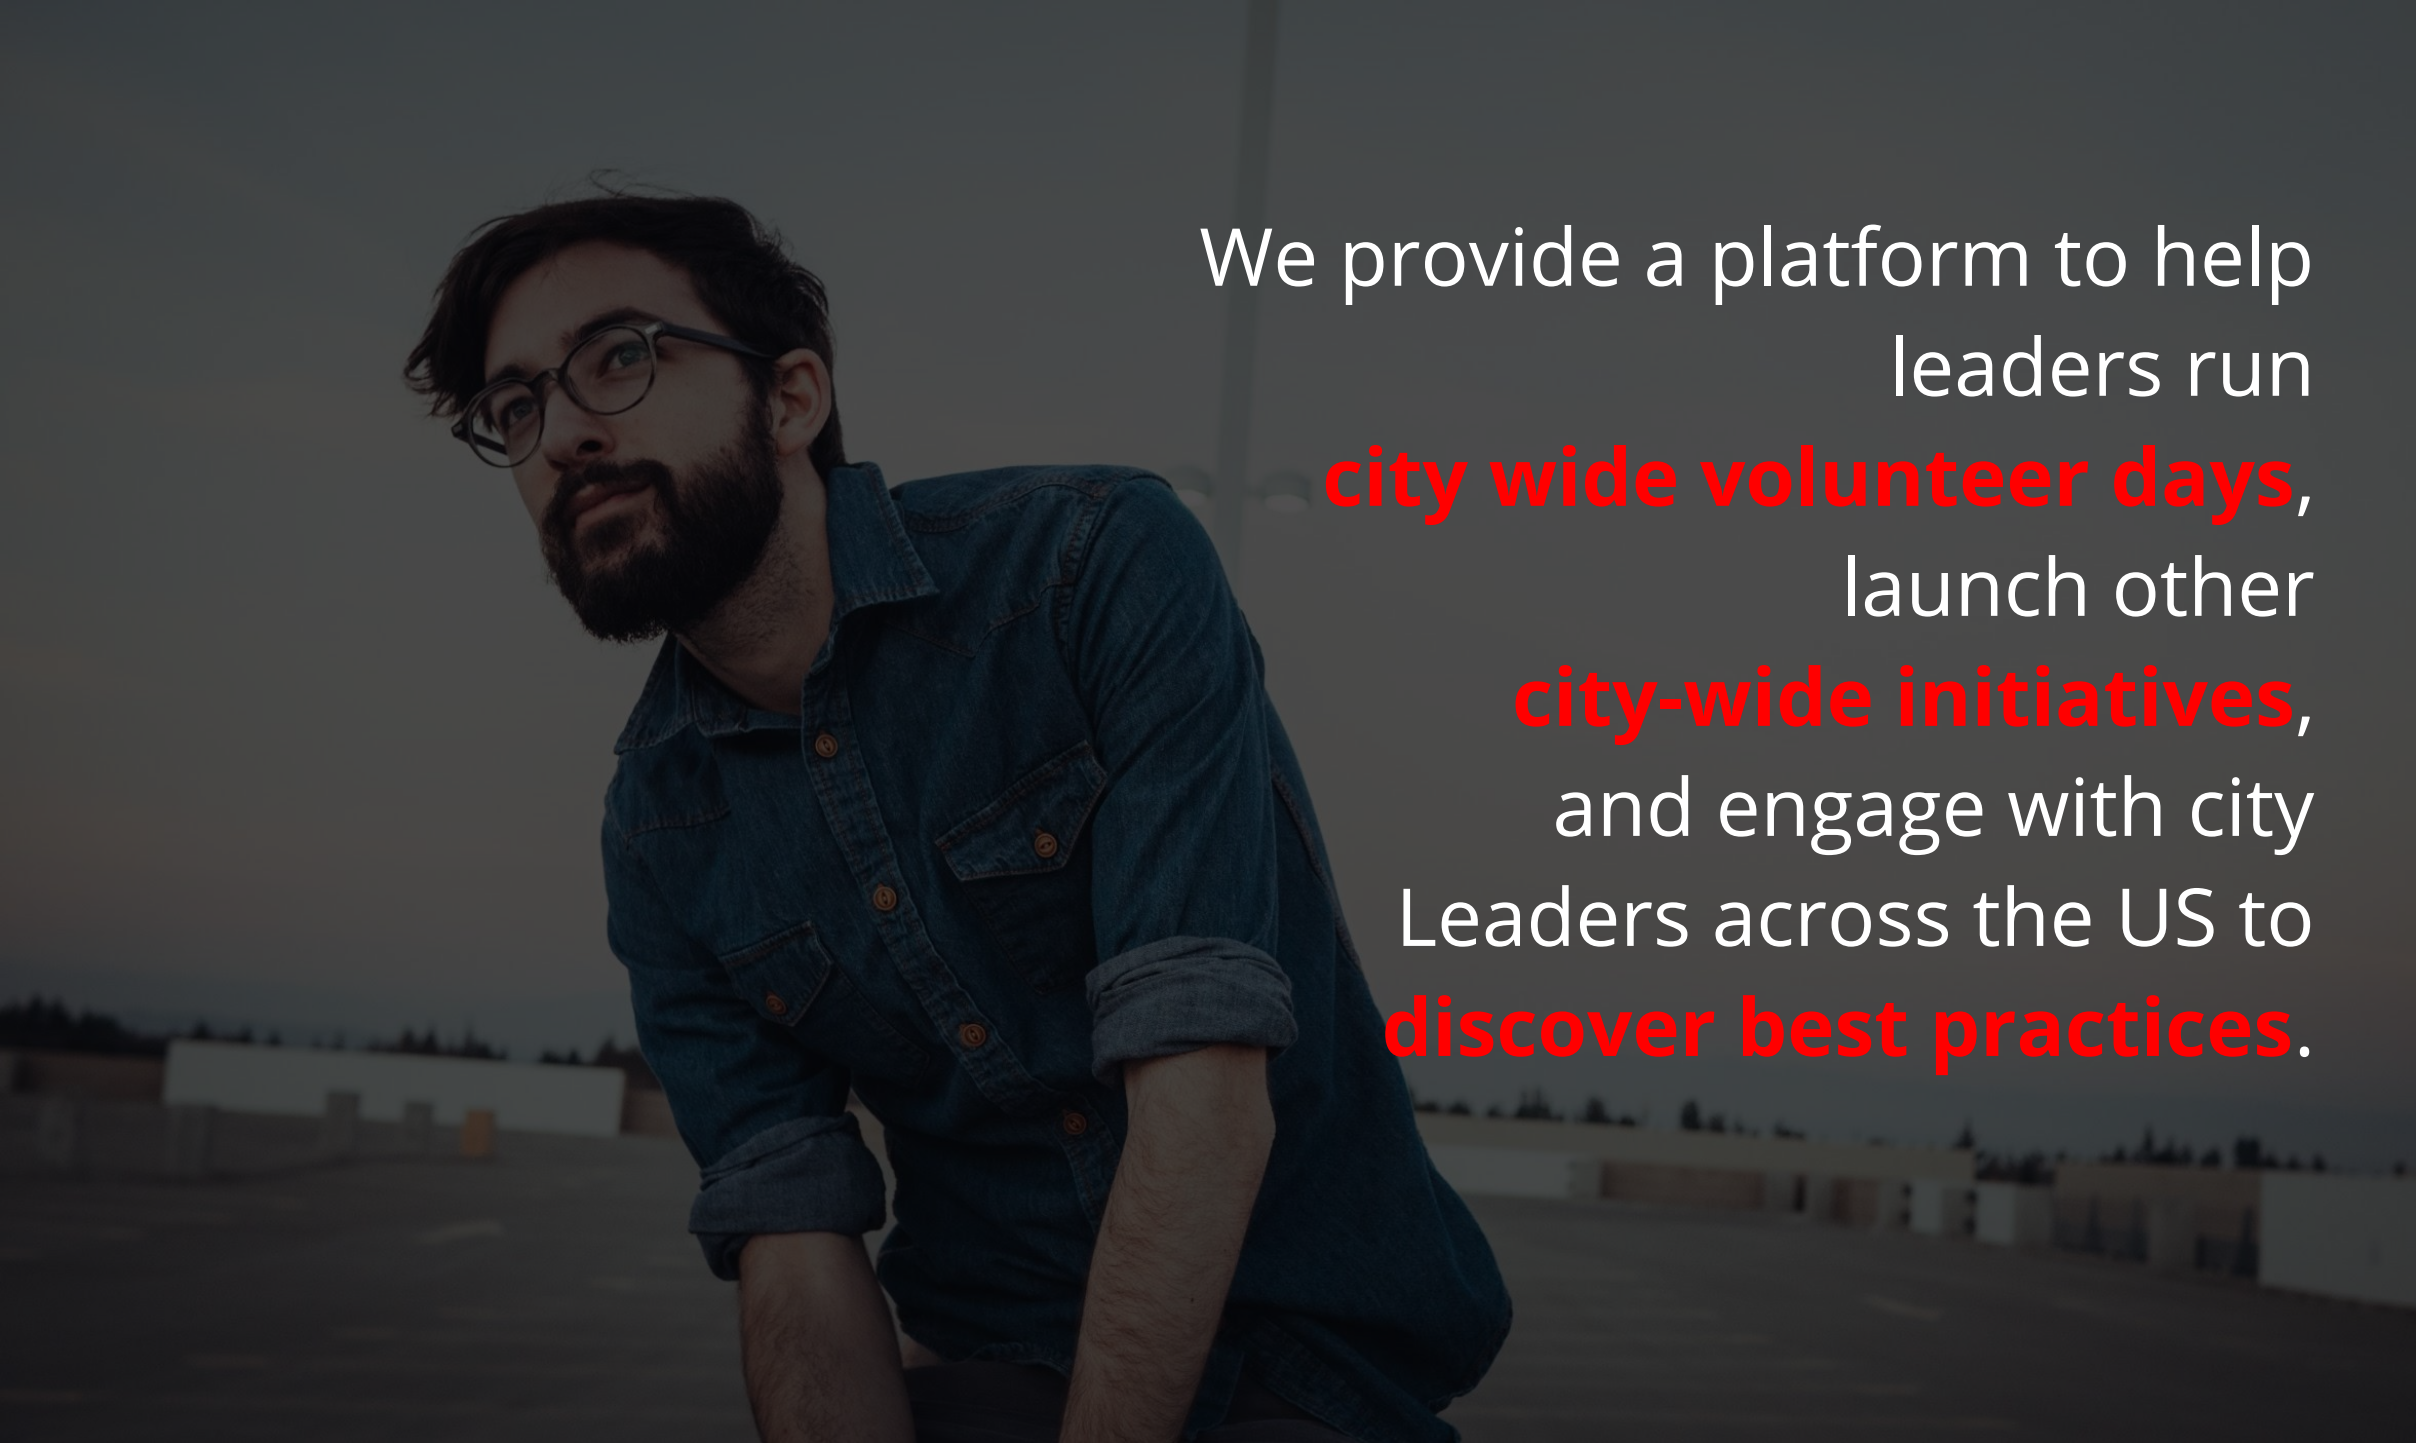

We asked ourselves the question:
“If our **churches** were suddenly to **disappear**
from our **cities**, would anyone **care** or **notice**?”

When we got really honest with ourselves,
we didn't love the answer.

Based on that reality,
Love Modesto
was born.

As the momentum grew from Modesto to other
cities,
Love Our Cities
was born.
